## An Important Note about Medical and Security Evacuations

Sometimes an insured's medical condition requires a medical evacuation to obtain further medical treatment in the nearest adequate location or back in the U.S. Sometimes insureds are required to evacuate due to security concerns. It is important for insureds to know that in order for medical or security-related evacuation costs to be covered all approvals and arrangements must be made by AXA Assistance in conjunction with the attending physician (for a medical evacuation) and with i-JET (for a security evacuation). Anyone may contact AXA Assistance (see information below) to open a medical or security file if assistance is needed or if evacuation may be a possibility.
